Anger-Related Disorders: A Practitioner's Guide to Comparative Treatments (Springer Series on Comparative Treatments for Psychological)

Anger-Related Disorders: A Practitioner's Guide to Comparative Treatments (Springer Series on Comparative Treatments for Psychological)

In this ground-breaking exploration, a glittering array of specialists investigate how and why anger is viewed as a secondary emotion by most clinical theories and practitioners and seeks to answer the following questions:

- What are anger-related disorders?
- What do they have in common and how are they different?
- How do we treat the various anger-related disorders?

Drawing on one case study, the top-notch contributors each present a different method of treatment for anger-related disorders. By taking into consideration the variety of perspectives and treatments available for anger-related disorders, this book provides an overview of how clinicians can implement each of these treatments as well as combine treatments to provide a tailored therapy for each individual client.
