Day of the Flying Fox: The True Story of World War II Pilot Charley Fox Steve Pitt

Canadian World War II pilot Charley Fox, now in his late eighties, has had a thrilling life, especially on the day in July 1944 in France when he spotted a black staff car, the kind usually employed to drive high-ranking Third Reich dignitaries. Already noted for his skill in dive-bombing and strafing the enemy, Fox went in to attack the automobile. As it turned out, the car contained famed German General Erwin Rommel, the Desert Fox, and Charley succeeded in wounding him.

Rommel, who at the time was the Germans' supreme military commander in France orchestrating the Nazis' resistance to the D-day invasion, was never the same after that. Author Steve Pitt focuses on this seminal event in Charley Fox's life and in the war, but he also provides fascinating aspects of the period, including profiles of noted ace pilots Buzz Beurling and Billy Bishop, Jr., and Great Escape architect Walter Floody, as well as sidebars about Hurricanes, Spitfires, and Messerschmitts.

Do you want to try this extraordinary paying spare time activity?

Edith Manning:

As a college student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to right now there

but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Day of the Flying Fox: The True Story of World War II Pilot Charley Fox can make you truly feel more interested to read.
