As our older generations live longer, more and more adult women find themselves in caregiving roles for their mothers as well as their mothers-in-law. What a wonderful opportunity to return on our parents' investments in our own lives! While this reversal of roles is a precious privilege, it can often be an overwhelming challenge. Daughters who desire to follow the biblical command to "honor thy father and mother" must do so while juggling responsibilities to husband, children, work, church, and self. Raising Moms helps daughters to cope with the daily challenges of their role as caregiver and to rejoice in the lifelong blessings of the ones they are caring for. Packed with practical tips, generational information, and help with emotional realities, this book will help women and their mothers to find blessing in the later years.
