The Billionaire's Private Island

Multi-Billionaire Luke “The Bullet” Garmont is devastatingly handsome, lonely, horny, and sick of gold-diggers. He lost his heart when the love of his life died – not his libido. When he can take it no more, he comes up with a brilliant plan to use his wealth to buy happiness – ten gorgeous women worth of happiness, all at once, on a private island, and all his! Luke purchases a Caribbean island paradise and builds ten mansions filled with all the things a woman could want; and then one giant mansion for himself. He then hires ten of the best matchmakers in the world. He promises them millions if they can help him find the perfect playmate – not a wife.

He's positive that the best way to find the right woman for him is to get to know the women when they think they have no competition. After setting up his private island to perfection, he anticipates their arrival with glee. Ten powerful and beautiful women arrive to his island paradise with matchmakers in tow, thrilled to be the only one dating the billionaire, hoping for love, and unaware there are other candidates for Luke's affections.

What could possibly go wrong?
