Nothing can sap a person's strength and hope quite like a cancer diagnosis--unless it is the energy-stealing chemotherapy and surgeries faced in the fight against cancer. But one can find hope and strength in the pages of Scripture and in the experience of someone who has been there.

*Strength Renewed* is an encouraging devotional for those living in the valley of cancer. Meditations combine Scripture and stories from the author's own experience and can be read in sequential order to move the reader through a typical cancer journey from diagnosis through treatment. Each devotion also stands on its own, so readers can go directly to the entry that speaks to their need. Each devotional includes a short prayer and a Scripture verse for encouragement.
