Agents of the Glass: A New Recruit Michael D. Beil

The Agents of the Glass are at the front lines of the fight between good and evil, and they have a new recruit. But is he up to the task?

Andover James Llewellyn, aka Andy, did the unthinkable: he turned in a bag of money he found on the street after a bank robbery. His selfless action caught the attention of the Agents of the Glass. Now, as one of the agency's newest recruits, Andy is tasked with following the actions of a dangerous student at this new school, only he doesn't know *which* student.

Is it Winter Neale, model student with countless extracurricular activities? Or could it be Jensen Huntley, an antagonistic, angry kid whose blog has angered the wrong people? Andy must determine his target quick, before the evil organization known at NTRP catches on to him.

Will Andy succeed in his mission or will the Agents of the Glass have to find another recruit?
