## **Giovani musulmane in Italia: Percorsi biografici e pratiche quotidiane (Italian Edition)**

Il volume riporta i risultati di un'indagine sui processi di configurazione identitaria di giovani musulmane di origine marocchina, bengalese, pakistana nate e/o cresciute in Italia. A partire dall'analisi di narrazioni biografiche raccolte nelle città di Roma, Firenze e Padova, i lavori qui presentati affrontano, da prospettive di ricerca empiriche e teoriche diverse, quattro temi centrali per il dibattito accademico e l'opinione pubblica: "seconda generazione", "genere", "Islam" e "cittadinanza". Privilegiando le categorie analitiche dell'intersezionalità e dell'"agency", il libro esplora la "capacità di agire" di queste giovani donne nella sfera privata e in quella pubblica e, allo stesso tempo, analizza il loro contributo al processo di trasformazione dell'Islam in occidente.
