Incident in Mona Passage: A Novel Douglas Savage

One hundred miles off the coast of Puerto Rico, a top secret experiment too dangerous to be conducted on land is being conducted aboard the U.S. nuclear attack submarine *Sam Houston*—an experiment that has gone horribly wrong.

A predator is loose in the *Sam Houston*—a microscopic killer that strikes without warning, driving its victims to terrifying heights of violent, self-destructive insanity.

Soon madness and terror reign eight hundred feet below the ocean's surface, as those infected race to defeat the silent killer—unaware that another enemy follows in their wake. A diesel submarine relic is pursuing nuclear-powered *Sam Houston* into a final, deadly confrontation in the deepest waters of the Atlantic.
