## Movements in Times of Democratic Transition

In regions that have undergone tumultuous transitions, democratic social movements have often been the catalyst for great change. However, once those changes occur, can these movements survive, and if so, how?

The editors and contributors to *Movements in Times of Democratic Transition* examine in comparative detail how social movements act within the context of the democratic transitions they have been fighting for, and how they are affected by the changes they helped bring about. Offering insights into the nature of how social movements decline, radicalize, revitalize, or spark new cycles of activism, *Movements in Times of Democratic Transition* provides a comprehensive analysis of these key questions of mobilization research.

Contributors include: Paul Almeida, Christopher J. Colvin, Stephen Ellis, Grzegorz Ekiert, Grzegorz Forys, Krzysztof Gorlach, Camila Penna, Sebastián Pereyra, Steven Robbins, Ton Salman, Mate Szabo, Ineke van Kessel, Michal Wenzel, and the editors.
