**Four Days in November: The Assassination of President John F. Kennedy** Vincent Bugliosi

"A book for the ages."—*Los Angeles Times Book Review*

*Four Days in November* is an extraordinarily exciting, precise, and definitive narrative of the assassination of President John F. Kennedy on November 22, 1963, by Lee Harvey Oswald. It is drawn from *Reclaiming History: The Assassination of President John F. Kennedy*, a huge and historic account of the event and all the conspiracy theories it spawned, by Vincent Bugliosi, famed prosecutor of Charles Manson and author of *Helter Skelter*. For general readers, the carefully documented account presented in *Four Days* is utterly persuasive: Oswald did it and he acted alone.
