Letters to Louise

Russell J Jewett

Letters to Louise Russell J Jewett

An autobiography about a naive young man coming from a very stable and protected environment who went into the U.S. Navy at age 17. As a Navy Hospital Corpsman, he became a combat corpsman with the US Marines during the Vietnam War. This story includes memories of events and the actual text of letters written over a period of four years to his girlfriend who was still in high school while he was in The States, Japan, and Vietnam.

From reader reviews:

Brad Black:

Why don't make it to be your habit? Right now, try to ready your time to do the important behave, like looking for your favorite reserve and reading a reserve. Beside you can solve your short lived problem; you can add your knowledge by the guide entitled Letters to Louise. Try to make book Letters to Louise as your friend. It means that it can to become your friend when you experience alone and beside that of course make you smarter than before. Yeah, it is very fortunated for you personally. The book makes you considerably more confidence because you can know anything by the book. So , let's make new experience in addition to knowledge with this book.

Jake Harris:

What do you consider book? It is just for students since they are still students or it for all people in the world, the actual best subject for that? Merely you can be answered for that concern above. Every person has diverse personality and hobby for each and every other. Don't to be forced someone or something that they don't want do that. You must know how great as well as important the book Letters to Louise. All type of book can you see on many options. You can look for the internet solutions or other social media.

Phyllis Force:

Reading a e-book tends to be new life style in this era globalization. With reading you can get a lot of information which will give you benefit in your life. Having book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. Many author can inspire their reader with their story as well as their experience. Not only the storyline that share in the publications. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors nowadays always try to improve their proficiency in writing, they also doing some study before they write with their book. One of them is this Letters to Louise.

Susan Peterson:

This Letters to Louise is great guide for you because the content and that is full of information for you who always deal with world and still have to make decision every minute. This specific book reveal it info accurately using great plan word or we can declare no rambling sentences within it. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but hard core information with attractive delivering sentences. Having Letters to Louise in your hand like keeping the world in your arm, information in it is not ridiculous one. We can say that no publication that offer you world within ten or fifteen small right but this reserve already do that. So , this can be good reading book. Hey there Mr. and Mrs. busy do you still doubt that?
