Stretchability! How to Build Your Agenda for Growth is based upon your strengths, your growth points, your desires for your future. No one has to stay the way they are. Growth in all areas is a continuing process. As you work through this book, you plan and orchestrate your future, and you achieve more. You will look at success from a different perspective. The quest toward the top performance is grounded in this truth: "The top is not a position or a place. It is a process, requiring a plan, a structure, an adjustment. The top is perpetually redefined. Arrival is an illusion."
