Love to eat? Going to Maui? ...Then you're in the right place! This carefully crafted list features the ultimate must-do food adventures in Maui, promising to take you on a wild and mouth-watering ride while fully immersing you in the unique culinary culture of the island. Best of all, the wide variety of items range from farmer's markets to fine dining and everything in between, providing a deliciously unique perspective of the area's entire food system -from farm to fork. Whether you're an aspiring culinarian or simply enjoy a good burger, crossing off items on your Foodist Bucket List is the perfect adventure for anyone in pursuit of the true "taste" of Maui.

_____ The Foodist Bucket List Series... ..is a compilation of books that feature a specific area's 100 must-do edible adventures including flavorful dishes, unique drinks, can't-miss specials, local favorites, and farm related ventures. The book is compiled as a sort of "check-list" for the items as you go, taking the reader on an entertaining and flavorful ride, while providing information and pictures about the local food culture. Disclaimer: The book has a conversational tone, is informally written, and lacks the sort of detailed information you'd find in a more traditional guidebook. Basically... I'm just a guy who favors food-centric traveling, and obsesses over uncovering each and every delicious opportunity that an area has to offer. This book aims to simply be a manifesto of these edible escapades -featuring the 100 that I most enjoyed -while hopefully acting as a sort of primer to kick-start you on your own taste-bud-driven adventure!
