Vicious words and damaging photos exchanged through texts, email, or social media can result in humiliation, broken friendships, punishment at school, and even legal prosecution. In some cases, online harassment has contributed to suicide. Written by experts in cyberbullying prevention, this book provides strategies for teens dealing with cyberbullying as well as for those who have taken part in bullying others. The book gives teens the tools they need to keep themselves safe online, protect their digital reputations, and make their schools and their communities kinder places. Includes true stories by teens who have been cyberbullied and are working to eliminate online bullying in their schools.
