Anoche dormí en la montaña (Spanish Edition)

Héctor Manjarrez

Anoche dormí en la montaña (Spanish Edition) Héctor Manjarrez

Héctor Manjarrez publica una nueva e insólita colección de cuentos. Cuentos de Londres, de La Habana, de Managua, de la Sierra Madre Occidental, de la Ciudad de México. Cuentos sobre el siglo XX que acabó y que no acaba. Cuentos sobre cómo recordamos, añoramos y no logramos salir del siglo XX, con sus revoluciones políticas y sus revoluciones íntimas, sus aventuras y sus exilios. Cuentos de mujeres: presentes o añoradas, oprimidas o liberadas. Todas estas mujeres están interminablemente vivas. En especial, la vivísima Concha que apareció por primera vez en El otro amor de su vida y ahora nos regresa en los seis cuentos enlazados de una semana santa entre los indios. El tiempo en estos relatos pasa a veces muy rápido y en otras con la lentitud placentera cifrada en la palabra despacito. Y es que aquí la velocidad y la paciencia son especies del mismo saber: el de quien inventa como si recordara y escribe como si estuviera platicando. Es el tiempo del tigre que reposa y del tigre que ataca. Éste es el libro perfecto para empezar a leer a Héctor Manjarrez o para seguir leyendo a uno de los autores más entrañables, más sabios, más honestos de la literatura de América Latina.

From reader reviews:

Ashley Downs:

The book Anoché dormí en la montaña (Spanish Edition) can give more knowledge and information about everything you want. Exactly why must we leave a very important thing like a book Anoché dormí en la montaña (Spanish Edition)? A few of you have a different opinion about reserve. But one aim this book can give many data for us. It is absolutely suitable. Right now, try to closer with your book. Knowledge or facts that you take for that, you may give for each other; you are able to share all of these. Book Anoché dormí en la montaña (Spanish Edition) has simple shape but you know: it has great and big function for you. You can look the enormous world by available and read a guide. So it is very wonderful.

Geraldine Schrader:

Reading a book tends to be new life style within this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Using book everyone in this world can easily share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their own reader with their story or perhaps their experience. Not only situation that share in the textbooks. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors these days always try to improve their talent in writing, they also doing some investigation before they write for their book. One of them is this Anoché dormí en la montaña (Spanish Edition).

Arthur Reaves:

Exactly why? Because this Anoché dormí en la montaña (Spanish Edition) is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will zap you with the secret that inside. Reading this book next to it was fantastic author who write the book in such wonderful way makes the content inside easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any longer or you going to regret it. This book will give you a lot of advantages than the other book have such as help improving your skill and your critical thinking means. So , still want to delay having that book? If I were you I will go to the publication store hurriedly.

Sally Kim:

Is it you who having spare time subsequently spend it whole day simply by watching television programs or just laying on the bed? Do you need something totally new? This Anoché dormí en la montaña (Spanish Edition) can be the respond to, oh how comes? It's a book you know. You are so out of date, spending your time by reading in this completely new era is common not a nerd activity. So what these guides have than the others?
