Before & After: A Books of Nature Timescapes Jan Thornhill

Jan Thornhill uses vibrant art to introduce the "nature timescape" to children, depicting from picture to picture how natural scenes change over spans of time ranging from a few seconds to a year. The environments--a tropical coral reef, an African savannah, a meadow in North America, and the South American rain forest--will delight children as they point out what has changed from scene to scene in the before and after pictures. Age 4 and up.
