Bible study, research, and fieldwork merge in this book of practical principles for decision making by spiritual discernment. The step-by-step approach can be used to help any size group learn a new way to make decisions--a way that is interactive, spiritual, and rooted in faith practices and community. Small groups, committees, church boards, church leaders at all levels, and seminary professors will find this book valuable. This is a revised and updated version of the book, originally published in 1997. This new version included revised and updated material, as well as a new introduction by Charles Olsen.
