Easy Logic: Tibetan Wisdom for Happiness and Success Eric Brinkman

The ancient Tibetans devised a unique system to prove, logically, if something is true or not. Learn how to form a correct argument, how to determine whether an argument is true, and what are the follow up strategies on a line of argument. Applications for their techniques extend into every aspect of one's life: job, family, health. The ability to process information and arrive at a correct, logical conclusion is something we can all benefit from
