Cape Town: Up Close and Personal Mia Feinstein

After several years of absence, photographer Mia Feinstein returns to South Africa to rediscover the place of her birth – Cape Town. The lens of this talented young artist frames a photographic tour de force: hidden angles surprise, little-noticed features delight and old favourites assume new contexts. From a selection of glorious bird's-eye views to lively street scenes and close-up portraits, her camera reveals a Cape Town few have seen and even fewer have stopped to admire, making Cape Town Up Close & Personal a richly textured tribute to one of the most beautiful cities in the world.
