Fired Up (Trouble in Texas Book #2) Mary Connealy

When a doctor who attracts danger falls for a cook determined to make it on her own, there's going to be trouble in Texas!

Glynnna Greer came west as a mail-order bride and ended up in a bad situation. Now her husband, Flint, is dead, and she's determined to make a go of it on her own. In a town full of men, Glynnna decides she can support her two children by opening a diner--never mind that cooking is not her greatest talent.

Dare Riker is a doctor who saves lives, but someone seems determined to end his. It may have something to do with the traitors he dealt with during the Civil War, or it might be related to the recent incident with Flint Greer and the ranch. Whoever the culprit is, he or she seems really fired up, and Dare can't let his guard down for a moment--which is a challenge, since right now he's trying to win the heart of the recently widowed Glynnna.

Though his doctoring business is booming due to Glynnna's questionable cooking, Dare seems to encounter unexpected dangers wherever he goes. There's the avalanche. And the fire. And then the shadowy figure with a knife. Can Dare survive it all long enough to convince Glynnna to take another chance on love?
