Man As a Picture of the Living Spirit Rudolf Steiner

This lecture was given on the day of the foundation of the Anthroposophical Society of Great Britain. It is therefore especially important for English-speaking people. It contains the following verse: I gaze into the Darkness./In it arises Light/Living Light!/Who is this Light in the darkness/It is I myself in my reality./This reality of the I/Does not enter into my earthly life./I am but a picture of it./But I shall find it again/When with good will for the Spirit/I shall have passed through the Gate of Death.
