She Says (French Edition) Vénus Khoury-Ghata

Award-winning American poet Marilyn Hacker offers the brilliance of Lebanese poet Vénus Khoury-Ghata in an exquisite translation

She says

the earth is so vast one can't help but be lost like water from a broken jug

There is no fortress against the wind

the winter wanderer must count on the compassion of walls-from "She Says"

Translated by celebrated American poet Marilyn Hacker, Vénus Khoury-Ghata's *She Says* explores the mythic and confessional attractions and repulsions of the French and Arabic imaginations with poems that open like "a suitcase filled with alphabets." Sex, barrenness, grief, and death-the backdrop of a war-ravaged country-are always at the edges, made increasingly urgent by lines often jagged and spare, their music unaltered. Khoury-Ghata is a vital voice in both her native and adopted languages and we are pleased to present this important collection in English.
