You Know They're Here Paul J. Kenyon

"You Know They're Here" is a true story of actual events of a haunted house experienced by this author in the mid-seventies. A family with four children was eventually driven from their home after an unsuccessful exorcism was performed to cleanse their house of unwanted spirits. Kenyon befriended the Dandy family and initially became an evening 'guard' helping to keep the curious from trespassing on their property. The events he experienced for more than a year heightened his sense of the paranormal to frightening levels. For a time, Paul, being the aggressor toward the energies of the house, held the interest of one of the more malevolent entities. "You Know They're Here" will have you sleeping with the lights on and have you second guessing your beliefs of the spirit world.
