Don't Vote It Just Encourages the Bastards P.J. O'Rourke

Put the country's big, fat political ass on a diet. Lose that drooping deficit. Slim those spreading entitlement programs. Firm up that flabby pair of butt cheeks which are the Senate and the House.

Having had a lot of fun with what politicians do, P.J. O'Rourke now has a lot of fun with what we should think about those politicians. Nothing good, to be sure. Best-selling humorist P.J. O'Rourke is back with his latest political masterpiece, *Don't Vote—It Just Encourages The Bastards*. Using his signature wit and keen observational skills, O'Rourke reflects on his forty year career as a political commentator, spanning his addlepatented hippie youth to his current state of right-wing grouch maturity. *Don't Vote—It Just Encourages The Bastards* is a brilliant, disturbing, hilarious and sobering look at why politics and politicians are a necessary evil--but only just barely necessary. Read P.J. O'Rourke on the pathetic nature of politics and laugh through your tears or—what the hell—just laugh.
