Exposed, Uncovered, and Declassified: Ghosts, Spirits, & Hauntings: Am I Being Haunted? Michael Pye

What are ghosts, spirits, and other apparitions? Why do they visit, and what do they want from us? Are OBE, NDE, and PDE real? *Exposed, Uncovered, and Declassified: Ghosts, Spirits, and Hauntings* tackles these questions and more, as some of the world's best known paranormal experts come together in a tour de force of investigative journalism. Ghosts have been an integral part of the folklore of almost every culture; indeed, extant references to them stretch as far back as the ancient civilization of Babylon. And the evidence for them is mounting. Resident psychic for Paranormal State, Michelle Belanger, covers the strange Phillip Experiment, in which a group of Canadian paranormal investigators attempted to create a spirit. Professor of parapsychology Loyd Auerbach tells us what every ghost hunter should know about parapsychology. Noted expert on paranormal research Joshua P. Warren carefully examines some startling photographic evidence of ghosts. Andrew Nichols, PhD, director of the American Institute of Parapsychology, discusses his theory of haunted houses, which posits hauntings as manifestations of ESP and /or psychological projection. Raymond Buckland (*Buckland's Book of Spirit Communications*) looks at ghosts as spirits and gives a take on how to talk to ghosts . . . and get responses. Folklorist Dr. Bob Curran delves into the connection between poltergeists and human origins, and regales us with three classic cases of poltergeist activity, including the Articlave poltergeist of Ireland, the tormenting of Bertha Sybert from the Blue Ridge Mountains, and the fascinating German case of Anne-Marie Schneider. Paranormal journalist Nick Redfern examines cases of ancient animal ghost apparitions. Noted folklorist Ursula Bielski gives a spooky and detailed account of the Vanishing Hitchhiker phenomenon. Evidence of ghosts is everywhere if you know what to look for. Whether you're a believer, a skeptic, or somewhere in between, *Exposed, Uncovered, and Declassified: Ghosts, Spirits, and Hauntings* is sure to entertain and educate.
