For young John Degraffenreidt, a sleepless night is no reason to fret when tossing and turning in bed brings a bright red crocodile named Crosley out from under his bed. Night Buddies like Crosley promise an evening of adventure to any not-tired-yet kid—and tonight is no different! Out of bed, and into the city, John embarks on a one-of-a-kind program with his crocodile pal. It seems like Cros is a one-of-a-kind individual—that is, until red crocs start popping up all over the city, creating confusion, committing crimes, and causing Crosley to go bananas at the sight of them.
