Oriol Nel·lo

Ordenar el territorio (Cronica (tirant)) (Spanish Edition) Oriol Nel·lo

Nuestro territorio se encuentre sometido a un acelerado proceso de cambio. De sus transformaciones se desprenden importantes ventajas: nuestra posibilidad de desplazarnos se ha incrementado extraordinariamente, los servicios resultan más accesibles, disponemos en términos generales de viviendas más bien equipadas. Sin embargo, la transformación de nuestro entorno está comportando también importantes problemas: el creciente consumo de suelo, la pérdida de atractivo del paisaje, la congestión de las infraestructuras, la segregación de los grupos sociales en la ciudad, el consumo energético, el desperdicio de los recursos naturales,... Estos problemas nos llenan, a menudo, de zozobra y amenazan incluso la perdurabilidad de los indudables avances conseguidos.
