Slave to Fashion: A Novel Rebecca Campbell

Fashion college has taught Katie Castle everything she ever needed to know: how to smoke cigarettes and drink; how to flirt with gay men and straight women; how to get into clubs without paying. Possessed of a sharp eye and a stiletto tongue, Katie talks her way into the job of her dreams. Working for chic designer Penny Moss, Katie snags not only a town house in London's Primrose Hill but also a cute fiancé, Ludo, who happens to be Penny's son. But one act of libidinal folly with the company delivery driver costs Katie everything: job, boyfriend, flat, friends. Will she be forced to move back with her sartorially challenged parents? Or can she maneuver a return to fashion that somehow doesn't involve (gasp!) retail?

Rebecca Campbell has invented a wisecracking heroine who'll keep you laughing right up to the last page. Katie's misfortune will be your delight, as this irrepressible wit carpe diems herself into a set of adventures that once again propels her to the top. **Slave to Fashion** marks the arrival of an uncommonly smart and very funny new writer.
