The Politics of Equality: An Introduction Jason C. Myers

Why are socialists, communists, and social democrats concerned with the distribution of wealth? Why do they place so much importance on public goods such as education and healthcare? To what extent does democracy matter to socialist ideologies? In *The Politics of Equality*, Jason C. Myers sheds new light on questions such as these, providing a readable, contemporary introduction to egalitarian political philosophy. Concentrating on ideas and values rather than on the rise and fall of parties and movements, the book offers crucial insights into a vital tradition of political thought and how it is key to our understanding of contemporary debates, from national healthcare and retirement pensions to the role of government in responding to economic crisis. This is essential reading for anyone interested in constructing a more just society.

From reader reviews:

Kathleen Elder:

What do you ponder on book? It is just for students because they're still students or the idea for all people in the world, what best subject for that? Just simply you can be answered for that issue above. Every person has distinct personality and hobby for each and every other. Don't to be pressured someone or something that they don't need do that. You must know how great as well as important the book The Politics of Equality: An Introduction. All type of book is it possible to see on many methods. You can look for the internet options or other social media.

James Mendoza:

Nowadays reading books become more than want or need but also become a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge your information inside the book that will improve your knowledge and information. The data you get based on what kind of publication you read, if you want have more knowledge just go with schooling books but if you want feel happy read one along with theme for entertaining like comic or novel. The actual The Politics of Equality: An Introduction is kind of reserve which is giving the reader erratic experience.

Robert McKay:

Reading a guide can be one of a lot of action that everyone in the world likes. Do you like reading book so. There are a lot of reasons why people like it. First reading a guide will give you a lot of new info. When you read a e-book you will get new information due to the fact book is one of a number of ways to share the information or their idea. Second, studying a book will make a person more imaginative. When you reading through a book especially fiction book the author will bring someone to imagine the story how the character types do it anything. Third, you can share your knowledge to others. When you read this The Politics of Equality: An Introduction, you are able to tells your family, friends as well as soon about yours publication. Your knowledge can inspire different ones, make them reading a guide.

Lowell Decoteau:

What is your hobby? Have you heard in which question when you got college students? We believe that that issue was given by teacher on their students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person including reading or as studying become their hobby. You need to know that reading is very important as well as book as to be the thing. Book is important thing to provide you knowledge, except your teacher or lecturer. You get good news or update with regards to something by book. Many kinds of books that can you decide to try be your object. One of them is this The Politics of Equality: An Introduction.
