Diary of a Psychic Sonia Choquette

Sonia Choquette discovered her psychic abilities as a young child. Gifted from birth, she was able to see beyond the veil of the inner workings of her family members', friends', and neighbors' lives. While still a teenager, she began to give readings, amazing her clients with her psychic insights. Seeking to deepen her skills, she studied with two master psychic/spiritual teachers and began to see beyond predictions of the future . . . into the causes of the future. With the help of a group of spiritual guides who have been working with her since childhood, and combining this support with metaphysical law, Sonia developed the ability to see the soul plan that each of us is born with. It became her mission to put her clients' lives back on track, steering them through the tricky waters of romance, divorce, illness, high finance, sickness, and death. She became a soul guide for "happy endings." By pulling back the curtain and sharing her personal story, this revolutionary new teacher and world-renowned psychic shatters the myth that psychic implies psycho, and reveals the beauty and power the sixth sense holds for us all! A teacher, an author, and a storyteller, as well as a gifted psychic, Sonia Choquette is in international demand for her guidance, wisdom, and capacity to heal the soul. This is a story of the Evolution of the "6th Sense" fresh from a child's perspective. Also, this is "Just A Great Read!"
