El oficio de sobrevivir (Spanish Edition) RAFAEL RUIZ

Estos reportajes reflejan tres proyectos de cooperación España/Latinoamérica que han marcado hitos y abierto sendas en el último lustro gracias al trabajo de Ayuda en Acción/Action Aid e Intermón/Oxfam, en México, Ecuador y Bolivia. En México DF, compartí varios días con las familias que viven dentro de uno de los inmensos basureros de esta megalópolis. Cuando la basura es la vida... Hasta qué punto se pueden degradar las expectativas vitales de las familias, cuando su único horizonte es una montaña maloliente de desperdicios... Es la sentencia llevada hasta el extremo más cruel de cómo los pobres aprovechan las migajas de los ricos. En Ecuador, viajé con una organización especializada en 'apadrinamiento' de niñas y niños para conocer de primera mano cómo viven y cuáles son sus vínculos con el primer mundo; especialmente dura fue la experiencia con los niños de la calle de Quito, explotados, maltratados y violados por el mejor postor, incluidas sus familias y la policía. Y en Bolivia, llegamos hasta las más pequeñas y aisladas comunidades indígenas, desde los quechuas en las cumbres andinas a los guaraníes del sur, con la intención de conocer sobre el terreno qué ha cambiado allí donde comenzó a trabajar 50 años atrás la cooperación española, de la mano de jesuitas comprometidos con los más desfavorecidos. Es la epopeya por sobrevivir de colectivos tradicionalmente marginados, como mujeres y niños.
