Historia mínima de las ideas políticas en América Latina (Historias mínimas) (Spanish Edition)

Patricia Funes

América Latina, ideas políticas, dos siglos. Es un desafío. Para sortearlo apelamos a un macroscopio, ese instrumento creado por la imaginación borgeana para permitirle a nuestra retina estrujar las más inabarcables dimensiones. Desde las independencias, las ideas políticas latinoamericanas se vieron en espejos que reflejaban prefijos o sufijos, imperio de los "sub" o los "pre", también los "pos" (subdesarrollo, precapitalismo, posneoliberalismo). Una de las invitaciones de este libro es recorrer las encrucijadas de las ideas políticas de esta región cuando quedaron atrapadas, se salieron del espejo, o las especularidades se olvidaron de los prefijos y sufijos demostrando intensas y mestizas originalidades. Proponemos al futuro lector hacer visibles las contingencias, las dudas y las imaginaciones políticas del futuro del pasado, leídos y pensadas desde el presente, para recorrer curiosa y comprensivamente las formas de pensar la política en esta parte del mundo.
