Ponga su pasado donde pertenece en el pasado! (Spanish Edition) Stephen Viars

Vivimos paralizados cuando no sabemos cómo reconciliarnos con nuestro pasado. Algunos creen que "el pasado no importa" y procuran reprimir el dolor una vez tras otra. Otros no logran renovarse y cambiar porque creen que el pasado es más importante que su presente y su futuro. Ninguno de los enfoques conduce a la sanidad o la esperanza.

Pastor y consejero bíblico, Stephen Viars propone una tercera forma de ver la historia personal de cada uno - analizar el papel del pasado según la voluntad de Dios. Escudriñando las Escrituras para llevar a los lectores hacia adelante, Viars proporciona medidas prácticas para:

- entender el importante lugar que se le da al "pasado" en las Escrituras
- sustituir la culpa y la desesperación con el perdón y la esperanza
- convertir los fracasos en oportunidades para el crecimiento

Esta recurso, que motiva e inspira, ofrece ayuda a toda persona dispuesta a revisar el pasado y ponerlo en su lugar, a fin de que Dios pueda transformar su conducta, sus relaciones y su capacidad para que tenga esperanza para el futuro.

Lives grind to a halt when people don't know how to relate to their past. Some believe "the past is nothing" and attempt to suppress the brokenness again and again. Others miss out on renewal and change by making the past more important than their present and future. Neither approach moves people toward healing or hope. Pastor and biblical counselor Stephen Viars introduces a third way to view one's personal history-by exploring the role of the past as God intended. Using Scripture to lead readers forward, Viars provides practical measures to

- understand the important place "the past" is given in Scripture
- replace guilt and despair with forgiveness and hope
- turn failures into stepping stones for growth

This motivating, compassionate resource is for anyone ready to review and release the past so that God can transform their behaviors, relationships, and their ability to hope in a future.
