Editorial Design: Digital and Print is a comprehensive guide to the traditional and digital skills that a designer will need for a future career in visual journalism today – the design of magazines and newspapers for a wide variety of markets.

Generously illustrated, including case studies, practical exercises and tips, and examples of best practice; profiles of individual designers include Mark Porter, Scott Dadich, and Janet Froelich. The book explains the fundamentals of editorial design and layout. Subjects covered include current and emerging digital formats, branding, how to create layouts, handling copy and images, design and production skills, and trends in editorial design.

With insider advice and opinions from leading contemporary designers, the book is a practical reference and learning resource that will teach readers everything they need to know to reach the top of the profession. The new edition of this book shows how editorial design has adapted to the online and digital world.

From reader reviews:

Jeremy Gable:

Nowadays reading books become more than want or need but also get a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The data you get based on what kind of guide you read, if you want send more knowledge just go with education books but if you want truly feel happy read one using theme for entertaining for instance comic or novel. The actual Editorial Design: Digital and Print is kind of e-book which is giving the reader unstable experience.

Daniel England:

Reading a reserve can be one of a lot of pastime that everyone in the world adores. Do you like reading book and so. There are a lot of reasons why people fantastic. First reading a book will give you a lot of new info. When you read a publication you will get new information simply because book is one of numerous ways to share the information as well as their idea. Second, reading a book will make you actually more imaginative. When you reading a book especially tale fantasy book the author will bring one to imagine the story how the character types do it anything. Third, you are able to share your knowledge to others. When you read this Editorial Design: Digital and Print, you could tells your family, friends along with soon about yours e-book. Your knowledge can inspire others, make them reading a e-book.

David Swanson:

As a scholar exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Editorial Design: Digital and Print can make you really feel more interested to read.

Joshua Miner:

Reading a reserve make you to get more knowledge from this. You can take knowledge and information originating from a book. Book is created or printed or highlighted from each source this filled update of news. In this particular modern era like now, many ways to get information are available for an individual. From media social just like newspaper, magazines, science book, encyclopedia, reference book, new and comic. You can add your understanding by that book. Isn't it time to spend your spare time to open your book? Or just seeking the Editorial Design: Digital and Print when you desired it?
