Having roommates means living in a fishbowl: you are never alone. Smart, witty and a little bit bitchy, Fishbowl lets you press your face against the glass to see into the lives of three unique roommates—and laugh your head off.

Allison, Jodine and Emma set their apartment on fire. No, they didn't do it on *purpose*. What kind of lunatics do you think they are? And don't go worrying. No one got hurt, although they did go to the hospital. Unfortunately, there was no one in white yelling *stat!*, no one climbing aboard a gurney to thump life back into someone's heart and no hot paramedic performing artificial respiration.

What they do have now is one giant repair bill and no money. Problem? No way! Not for three bright women with a great fund-raising idea—they'll organize swanky soirees and dating seminars.

Perfect. How could this possibly go wrong...?
