Messages from Water and the Universe Masaru Emoto

Masaru Emoto's 15 extensive years of study on water has given him the background to discuss what water is, how it has been implicated in the creation of the universe, and why a perfect ratio of Love and Gratitude can help this energy can go on infinitely. This fascinating book explains how our prayers, goodwill, and positive words heal us humans—as well as viruses and the universe as a whole—through water. Dr. Emoto explains that the fact that water has lost its true form shows that our way of living has moved away from God's will, so we should be aware of our Creator's alert to "correct the way we are living now." The information in this work is an important step in revealing how we can modify our way of living to bring about true peace on earth.
