The Awful Possibilities Christian TeBordo

After three novels, dynamic and masterful young writer Christian TeBordo, has finally collected his best short stories in *The Awful Possibilities*. A girl among kidney thieves masters the art of forgetting. A motivational speaker skins his best friend to impress his wife. A man outlines the rules and regulations for sadistic child-rearing. A teen in Brooklyn, Iowa, deals with the fallout of his brother's rise to hip hop fame. Populated with the people we've all heard whispering in hallways, mumbling in diners, shouting in the apartment next door, these brilliantly strange set pieces explode the boundaries of short fiction and locate the awe in the awful possibilities we could never have imagined.
