Why does God allow evil? Seeking the answer to this question is the reason we're here on earth, explored here in this enlightening and insightful guide that includes our past, present and possible future. It is written that evil began when the angels of God fell for the beautiful daughters of men, forgetting about the world of spirit. We are each a fallen angel, a soul and cell in the body collective of the One in Whom we Live, Move and have our Being. Some call this God, the Universe, the All or Force --but there is a dark side of this almighty force surrounding us and dwelling within us. Evil has a purpose from which mere religion can't save us, but Spirituality can. The hero's journey of the soul, the child of god, is an inner journey of the spirit with test and trials as we work to gain our wings of light and power. Our path toward enlightenment is dark and seductive. We get lost, stumble, and fall. But the truth is, light needs darkness to shine upon, and heroes need villains to have a story worth telling. This book is a guiding light on our spiritual journey through the dark nights of the soul.
