Research informs the development of a project which, rather than defusing these characteristics, attempts to integrate them within the scene of a political struggle. The proposed project dramatizes, through its architecture, a Palestinian disobedience to the colonial legislation imposed on its legal territory. In fact, the State of Israel masters the elaboration of territorial and architectural colonial apparatuses that act directly on Palestinian daily lives. In this regard, it is crucial to observe that 63% of the West Bank is under total control of the Israeli Defense Forces in regards to security, movement, planning and construction. Weaponized Architecture is thus manifested as a Palestinian shelter, with an associated agricultural platform, which expresses its illegality through its architectural vocabulary.
