The *Exegetical Guide to the Greek New Testament: Colossians and Philemon* is the first book in a projected series of twenty volumes that seeks to bring together classroom, study, and pulpit by providing the student or pastor with the information needed to understand and expound the Greek text of the New Testament. Author Murray J. Each volume provides the following for the biblical book or books on which it is written:

- Brief introduction on authorship, date, occasion, and purpose
- List of recommended commentaries
- Extensive exegetical notes
- Translation and expanded paraphrase of the whole book
- Comprehensive exegetical outline
- Glossary of grammatical and rhetorical terms
