Comparative Government and Politics: An Introduction

Rod Hague, Martin Harrop, John McCormick

Comparative Government and Politics: An Introduction Rod Hague, Martin Harrop, John McCormick
This is a thoroughly revised and updated tenth edition of the classic text in the field of comparative politics. Now co-authored by John McCormick, this comprehensive and lively text continues to introduce students to the key concepts, approaches and arguments that will enable them to successfully compare the fundamentals, structures and processes of political systems across the globe.

Taking full account of the institutions of government and the different political cultures that both influence and are impacted by political developments, the authors offer detailed analysis of democracies and authoritarian regimes. This edition includes a much wider range of international case studies, particularly expanded to include more from Latin America and Africa and to reflect the emerging powers on the world stage.

The book is also newly supported by a variety of carefully designed supporting features:

- **Spotlights** on individual countries offer profiles of the different types of political systems around the world
- Chapter **Previews, Overviews, Key Arguments, Discussion Questions** and **Further Reading** help consolidate knowledge
- New **Focus boxes** give more insight into important issues discussed in the text
- **Key Concepts** are defined throughout the text in a concise and easily digestible style.

This renowned text is the essential, and accessible, introduction to the study of comparative politics for students of political science everywhere.
