Harrison Area, The (Images of America) Crane Historical Society

Harrison dates to 1891, during the exciting days of the Northwest's expansion. The area's forests were full of old growth pine, fir, and cedar. Lakes and rivers provided transportation. Logging camps, sawmills, homesteads, and towns were springing up. Harrison was such a town, growing from a squatter homestead to a bustling city of 2,000 with stores, hotels, saloons, and churches in 12 short years. Mills lined the waterfront vying for space with the railroad and steamship docks. The boom did not last, but its legacy is a small, proud, picturesque city on the shore of beautiful Lake Coeur d'Alene.
