La caja: la invasión (Spanish Edition) Carlos Rincones

En el futuro, una sociedad creada de manera artificial cuya única tarea es la producción en los centros especializados, es dominada por el consumo, la búsqueda del bien colectivo a cambio de la eliminación del individuo, la tecnología y especialmente por un ente llamado el Nodu, a quien deben obedecer a cambio de paz, la cual se verá truncada una vez que los personajes descubran que han sido engañados y que todo lo que ven en realidad no es lo que parece.

Estos finalmente deberán decidir si continúan viviendo bajo esta red de engaños o forman un ejército y arman una rebelión. Para lograr su objetivo necesitarán ayuda de unos seres que ya fueron expulsados una vez y que han decidido volver para restablecer el orden, ese orden que quedó roto cuando decidieron desafiar al Nodu.

La caja: La invasión es la primera parte de esta trilogía.
