Trigger Man: More Tales of the Motor City Jim Ray Daniels

Trigger Man is a superb collection of stories capturing the gritty spirit of Detroit and the sometimes grim circumstances of the characters shaped by its industry and economics. Grounded on the bleak streets of the Motor City, these stories also explore the mythical “Up North,” the idealized country of many Detroit workers’ fantasy—an escape from the concrete and metal reality of their daily lives. Daniels’ characters are resilient and defiant, inhabiting a world that has often placed them on the margins of society, scouring a declining region for spiritual providence. Building on Daniels’ earlier collections of stories, *Trigger Man* brings vivid life to individuals struggling both to remain in and to flee the city that once sustained them.
