If you've lost an eye through a mishap, disease, or trick of genetics, the prospect of life without it may seem daunting. In reality, it may not be too much different than before with a few modifications to your lifestyle. One addition that may help you make this transition is an ocular prosthetic, also called an artificial eye. What's an ocularist? What's an ocular prosthetic and why would you need one? This book addresses these questions and more, with a foreword by Greg T. Sankey, Licensed Ocularist, B.C.O., B.A.D.O.
