Arnold Palmer

A Golfer's Life Arnold Palmer

There has never been a golfer to rival Arnold Palmer. He's the most aggressive, most exciting player the game has ever known, a dynamo famous for coming from behind to make bold last-minute charges to victory. To the legions of golf fans known around the world as "Arnie's Army," Palmer is a charismatic hero, the winner of sixty-one tournaments on the PGA Tour and still going strong on the Senior PGA Tour. But behind the legend, there is the private Palmer--a man of wit, compassion, loyalty, and true grit in the face of personal adversity.

Golf-crazy as far back as he can remember, Arnie followed his dad, "Deacon" Palmer, the head greenskeeper, around the Latrobe Country Club fairways; as a youth he played at dawn before the club members arrived (the only time he was allowed on the course); by the time he graduated from high school he was headed for the national circuit. His rise to fame was meteoric, and by the 1960s he had emerged as one of the few American athletes the public truly cared about--a vibrant, daring, handsome sports celebrity who attracted wild crowds and enormous television audiences whenever he played and whose charisma propelled the explosion of enthusiasm for golf in the sixties.

Writing with the humor and candor that are as much his trademark as his unique golf swing, Palmer narrates the deeply moving story of his life both on and off the links. He recounts his friendships (and rivalries) with greats of the game, including Jack Nicklaus, his enduringly happy marriage with Winnie, his legendary charges to triumph and his titanic disasters, and his valiant battle against cancer. Returning to the Senior PGA Tour with unmatched zeal after his recovery, Palmer reminded fans of his unfaltering heroism--and the world of golf is thankful.

From small-town boy to golfing legend, Arnold Palmer has lived one of the great sporting lives of the twentieth century. Now, with the help of acclaimed golf writer James Dodson, he has created one of the great sports autobiographies of our time.

From the Hardcover edition.

From reader reviews:

Ezra Talbott:

As people who live in often the modest era should be change about what going on or information even knowledge to make all of them keep up with the era that is certainly always change and move ahead. Some of you maybe can update themselves by looking at books. It is a good choice in your case but the problems coming to an individual is you don't know what type you should start with. This A Golfer's Life is our recommendation to help you keep up with the world. Why, because this book serves what you want and need in this era.

Mary James:

Reading a book tends to be new life style on this era globalization. With looking at you can get a lot of information that can give you benefit in your life. With book everyone in this world could share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire all their reader with their story or perhaps their experience. Not only the story that share in the textbooks. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors these days always try to improve their proficiency in writing, they also doing some research before they write to the book. One of them is this A Golfer's Life.

Diane Morgan:

Precisely why? Because this A Golfer's Life is an unordinary book that the inside of the book waiting for you to snap this but latter it will distress you with the secret that inside. Reading this book next to it was fantastic author who else write the book in such incredible way makes the content on the inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of rewards than the other book get such as help improving your expertise and your critical thinking means. So , still want to hold up having that book? If I have been you I will go to the book store hurriedly.

Laurence Terry:

A Golfer's Life can be one of your starter books that are good idea. Many of us recommend that straight away because this book has good vocabulary that will increase your knowledge in language, easy to understand, bit entertaining but still delivering the information. The article author giving his/her effort to set every word into enjoyment arrangement in writing A Golfer's Life but doesn't forget the main stage, giving the reader the hottest as well as based confirm resource information that maybe you can be certainly one of it. This great information can drawn you into fresh stage of crucial imagining.
