Giuseppe Gioachino Belli

Duecento sonetti in dialetto romanesco (Italian Edition) Giuseppe Gioachino Belli

I Sonetti di Gioachino Belli possono presentare tanto lo studio colto delle tradizioni di Roma, pur se volte spesso in riso, quanto la volontà implicita di distruggere i miti della Storia, riportandoli alla semplicità del parlante popolaresco. Da un lato il richiamo alla condotta dei papi e insieme al riformismo illuministico, dall'altro lo squallore di certe piazze, angoli e cortili dove si raggruma la miseria vanagloriosa delle persone che vi abitano. Qui patriziato e clero sono tragicomiche apparizioni cui fa da contraltare l'idea quasi egualitaria del resto della società. Questa edizione, compatta ed economica, raccoglie duecento sonetti scelti con cura tra i migliori della sterminata produzione belliana. Un libro essenziale per chiunque, romano o no, voglia respirare e comprendere l'anima della Città Eterna.
