Fivefold Nathan Burrage

A mystical thriller that draws on the rich tradition of the Kabbalah.

What if we got it wrong? What if the first five chapters of the Bible weren't about good and evil at all? What if they contained a hidden meaning, evidence of a divine grand plan?

Throughout history, a select few have been entrusted with the knowledge that the future of human civilisation boils down to a single test. A test that's conducted every second century and just happens to coincide with major turning points in human history.

What if the choices you made determined the outcome?

Five ordinary people from London who stumble across a hidden set of ruins are about to find out.
