Not for Tourists Guide to San Francisco 2010 (Not for Tourists Guidebooks) Not For Tourists

Not for Tourists Guide to San Francisco 2010, half anti-guidebook, half urban manual, is the ultimate little black book. It reveals everything from where to watch live sports or do a yoga class, where to rent a car or catch a ferry, how to find the best nightlife, catch a movie, or simply where to find the loveliest beaches and marinas. Whether you've called San Francisco your home for decades or just arrived last night, you ignore at your peril this new 2010 edition with its caustic neighbourhood summaries and refreshing, politically incorrect descriptions. Meticulously researched and written by folks who actually live there, NFT presents the city along with its good, its bad and its downright hideous. In over 300 pages of glorious content, the pocket-sized survival handbook features simply everywhere, from Central and Richmond to Bernal Heights, Bay View & Beyond. Designed for street-savvy locals, commuters, business travellers, and yes, tourists, NFT San Francisco includes a highly graphical map for every neighbourhood featured. User-friendly map icons highlight everything from coffee shops, supermarkets, liquor stores, banks and libraries, to hardware stores, gas stations, gyms and pharmacies. So if you're meeting friends in an unfamiliar part of the city or find yourself off the beaten track, NFT is a must-have resource. But NFT doesn't waste your time by serving up five zillion options just because they're in a database: contributors have gone back to eat, drink, dance and shop their way through last year's listings to check that they're still worth knowing.
