Rubber Stamp Extravaganza features over a dozen different craft projects, all starting with one or more stamps, but ending with an incredible variety of finished items, including decorative articles for the home or to wear, greeting cards, original artwork, glassware, light switch plates and more. Vesta Abel shows readers how to combine stamps with many different surfaces and techniques to create distinctive craft items. Although she includes new and exciting twists to traditional ways of stamping on papers with inks and embossing powder, she goes beyond the well-known techniques by combining stamps with a variety of surfaces, including faux leather, metal, foil, tin, vinyl, fabric, candles, frames, glass, polymer clay, and more.
